REPEL (AUS)

You can see that All Stretched is from a [2] family that she carries a lot of in her 5 gen pedigree, i want to also focus on her other key numbers 4-8-7.

She has a beautiful balanced stallion lineage, only carrying 5 strains of pahros and a healthy 7 stallion lines from the Darley Line. It's good to see variation in the Godolphin line through Relic.

All Stretched is omnipotent of 2 key numbers, a great additive if mother nature strikes - then you have that chance of something way above average.

All Stretched has a double dose of [FF 8] through Al Maher's bottom line with Dancing Show and Show Lady, plus [FF 4] through the Tenerani line stallion His Majesty

So the aim here is to see who can bring out strengths of those lines 2-4-8-7 and also look to sex balance key markers such as Danehill, Halo, Bletchingly and Lunchtime. Target Stallions are NSW based and under \$40,000

What about champion race mares....

I have gone back to every champion racemare over the last few years, plus i have added Winx, Black Caviar & Alinghi...

What they have in common is a lower number of Paros and sickle lines in their 5 generation - 16 stallion pedigrees.

Your mare comes in well with only 5 lines of Pharos and a nice total of 7 Darley Stallions.
